

What Do I Need to Book a New Flight on Delta?

Preparing the necessary information before starting your Delta booking saves time and prevents errors. ✈️📞+1/844/994/3876 Having all required details readily available allows you to complete reservations quickly and ensures accuracy in passenger information, payment processing, and travel documentation. Different trip types require varying levels of information and documentation. ✈️📞+1/844/994/3876

Passenger information requirements form the foundation of every booking.

✈️📞+1/844/994/3876 You'll need full legal names exactly as they appear on government-issued photo identification for all travelers. Include first name, middle name (if on ID), and last name. Provide date of birth for each passenger. For international flights, passport numbers, issue dates, expiration dates, and issuing countries are required. Gender designation may also be requested. ✈️📞+1/844/994/3876

Contact information ensures Delta can communicate about your reservation.

✈️📞+1/844/994/3876 Provide a valid email address for confirmation and flight updates. Include a phone number where you can be reached for important notifications like gate changes, delays, or cancellations. International travelers should include country codes in phone numbers. Consider providing both mobile and home numbers for backup contact options. ✈️📞+1/844/994/3876

Payment method details complete the booking transaction. ✈️📞+1/844/994/3876 Have your credit or debit card ready with card number, expiration date, security code (CVV), and billing address. Ensure the card has sufficient credit or funds for the total ticket cost including taxes and fees. Delta eCredits from previous cancellations can be applied using the credit number and PIN. Some bookings accept PayPal or other alternative payment methods.
